### Make the Most of Your Experience

**CALL:** Book in advance for tours and tastings, especially if you're traveling in a group, and especially on weekends. Note that some wineries require reservations.† Use your Visa Infinite Concierge or Visa Infinite Privilege Concierge for travel assistance including hotel bookings and transportation.

**PROTECT:** If you plan to buy wine, bring along a cooler to make sure your new purchases don't spoil in the summer heat.

**EAT:** Savour the fine fare on offer at one of many exceptional winery restaurants.

**BE RESPONSIBLE:** All that wine tasting can add up. Ensure you have a designated driver. You must be 19 years of age or older and have a valid government issued identification to consume alcoholic beverages. Please drink responsibly.

**Please visit winery websites for hours of operation and further details. Visit [visainfinite.ca](https://visainfinite.ca) for complete terms and conditions.**

Call ahead to ensure the offer you're interested in is still available—many wineries are family-run enterprises with limited capacity. Remember that reservations are sometimes mandatory as noted. For discounts on merchandise, visitors must use a valid Canadian-issued Visa Infinite or Visa Infinite Privilege card for transactions. Note that discounts are applied before taxes and can vary at the discretion of the winery.
